

Historical Animation

Project Title	Historical Animation
Project Summary	Create engaging short videos or visuals to help bring to life information essential to operation of the Section 106 process.
Country	United States

Project Description

This internship is with the U.S. Department of Agriculture Rural Utilities Service (RUS). This e-intern should have excellent communication, creativity, and animation/ graphic design skills.

We are looking to bring to life information in regards to the Section 106 of the National Historic Preservation Act (NHPA) and it's implementing regulation 36 CFR Part 800. These short, fun, memorable animations or informational videos go beyond a PowerPoint slideshow and present the information in an engaging fashion.

We are also open to communications strategies on how we can present information in new ways! Products are intended to be used on our YouTube, website, and email distribution in all 50 states and U.S. Territories.

Video topics include: how to videos, program compliance, best practices, and more.
